

## REMARKS

Responsive to the Communication dated September 12, 2006, the specification has been amended to correctly identify all sequences by a sequence identifier. Applicants appreciate the Examiner drawing attention to the inadvertent error in the amendment filed on June 19, 2006, in which the sequence identifier was inadvertently misplaced and the subscript was not replicated. Applicants have amended the specification based on the amendment filed on June 19, 2006, to correctly reflect SEQ ID NO:25 for the recited sequence.

In the Communication dated September 12, 2006, there is a request that a substitute Sequence Listing be submitted. Applicants are unaware of any error contained in the paper copy and computer readable format of the Sequence Listing filed on June 19, 2006. Accordingly, Applicants are hereby resubmitting the computer readable format and paper copy of the substitute Sequence Listing as filed on June 19, 2006, along with other required documents. The substitute Sequence Listing submitted herewith and on June 19, 2006, are in compliance with 37 C.F.R. § 1.821-1.825. Sequence Listing pages 1 through 20 are submitted herewith containing Sequences 1 through 25, formatted in accordance with the conventions set forth by PatentIn. Entry of these pages is respectfully requested.

The Examiner is invited to call the undersigned agent if there are any questions.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 502624 and please credit any excess fees to such deposit account.

Respectfully submitted,
